Letter From The President

Welcome Fall...or at least "almost" Fall!

Any non-profit is only as good as their volunteers! We need you to step up and help continue the great tradition of ODS. Each year there are 3 new Board members elected, with terms of 3 years. Each year 3 Board members "retire," unless of course they want to run for another term. So please consider running for the Board this year. If you are interested please give any one of the current Board members a call to tell them of your interest.

The competition year is coming to an end. September 30 is the end of the competition year for both Recognized and Schooling Shows. All of you who competed in ODS recognized Schooling Shows need to make sure all your results are into Laura Custer as soon as possible. USDF sends the recognized show results for all our members directly to Laura.

For those who do not know this, USDF charges every GMO a fee for each member each year. This covers your Group USDF membership. Currently it is \$20 for

individual/primary family member. Starting October 1, that fee increases to \$24.

In order to cover this increased cost to ODS and maintain our financial health, the Board had discussed increasing the membership fee starting December 1. Please read through the proposed Policy and Procedures change in this newsletter. Comments should be sent to any current Board member.

I think everyone is looking forward to the weather cooling down. I hope you can get out and enjoy it!

The Dressage Foundation "Favorite Horse Fundraiser"

Carol Lavell first told TDF the story about her beloved Gifted during its 10th anniversary year in 1999. She helped TDF kick-start the "Favorite Horse Fundraiser" as a way for riders to recognize their equine companions and help the Foundation at the same time.

Now, in honor of TDF's 30th anniversary, you are invited to join in this year's "Favorite Horse Fundraiser!"

Your donation to the 30th Anniversary "Favorite Horse Fundraiser" will give you the opportunity to recognize your equine partner in a special way. When you

send your donation, be sure to tell TDF why your horse was special – or still is.

Your horse's name will be then added to our online "Book of Memory" and your donation will be used to help the sport you love.

To learn more about The Dressage Foundation, or to donate in honor of your "Favorite Horse," visit www.dressagefoundation.org.

Empower® Topline Balance™ THE FIRST CHOICE IN TOPLINE HEALTH

Just like humans, horses have a core muscle group that enables motion, performance, and drive—and proper nutrition is key to a healthy core.

Known as the topline, a horse's core plays an important role in how a horse performs, looks, and feels. Topline is a critical indicator of overall health. A strong and healthy topline signifies core strength and proper nutrition.

Research proves Nutrena® feeds are the best when it comes to topline. Experience it by trying new Empower® Topline Balance™ horse feed.

Evaluate your horse's topline health and get a tailored feeding recommendation at ToplineBalance.com.

Proposed ODS Show in OKC Area!

ODS is looking for an ODS member who would be willing to plan a new, at least Level 1, recognized dressage show, close to the Oklahoma City.

ODS is willing to compensate the Show Organizer for their service. This would be a good opportunity for someone to gain new show organizing experience or for someone to add to their business portfolio.

This is not a show manager's position. It could be expanded to include the show manager's position or secretary, but is not included at this time.

The OKC area horse show organizer's role would include developing a budget, locating and contracting with a venue for the horse show, obtaining the licenses, judge, and TD. The role would also include developing the show bill and contracting with a secretary and show manager.

Here are the ideas and considerations for the proposed horse show:

- One ring, one judge, two days
- Format could be several ideas
- Schooling Show/Recognized Show
- Recognized Show/Clinic
- Recognized Show/Western Dressage Lite
- Facility must have two rings (one to show, one for warm-up), or three rings if it includes Western Dressage. There are rules preventing Western Dressage tack in the warm-up ring if a Classical Dressage Show is underway. (Contact Pam DeVore for more information on this format)
- Held near the OKC area, not in Tulsa/Green Country area

If you are interested in this position, please send a proposal to Pamela DeVore at pamelad68@aol.com. Please include any experience you may have related to event organizing and horse shows, what you would charge ODS, and your ideas for the show.

As always, ODS Board members are always available to assist you with any information you may need.

Waiver of liability: I understand the sport of horse riding is a high-risk sport and that my participation in this educational activity may also involved participation in an "equine activity" as defined by applicable laws and is wholly at my own risk. I understand that my participation involves all inherent risks associated with the danger and conditions which are an integral part of equine activities, including but not limited to, the property of equines to behave in ways which may result in injury, harm or even death to humans and other animals around or near them; the unpredictability of equine reaction to sounds, sudden movements, smells, and unfamiliar objects; persons or other animals; hazards related to the surface and subsurface conditions; collisions with other equines or objects; and the potential of a participant to act in a negligent or unskilled manner which may contribute to injury to the participants or others, including falling or inability to maintain control over the animal. By participating in this activity I agree to assume responsibility for those risks, and I release and agree to hold harmless, ODS, its event organizer, management, staff, instructors, participants, and auditors or anyone associated with the facility, liable for any injuries to me or my horse.

Proposed Membership Fee Update to the ODS Policy & Procedures

Due to a USDF fee increase to all GMOs, the ODS Board of Directors feels an ODS membership fee price increase is needed in order to maintain the organization's financial health. At the October meeting, ODS Board members will discuss and vote upon the proposed fee increase. **Comments by ODS members regarding this proposal are welcomed and should be directed to any Board member before October 9th.** If approved this fee structure will begin December 1, 2019.

Reason for Change:

- The ODS Fee Structure in the current Policy and Procedures is out of date.
- It was recently discovered this has not been updated since before the current fee structure was implemented
- USDF is increasing the fees due for every GMO for the group membership for each GMO individual/pr family. Fee is increasing as of December 1, 2019. Fee increase is \$4.

The **NEW** proposed wording for the updated ODS Membership Fee Structure is as follows in red:

III. Membership

D. Dues

5. The current fee schedule for annual dues is as follows:

- Annual Junior Member \$44
- Annual Senior Member \$54
- Charter/Life \$20
- Family Membership \$54/

primary and one family member / \$10 for each additional family member

- ODS Chapter membership \$10

This increases the Junior Member, the Senior Member, and the Family Membership fees by \$4 each.

Remember, there is a \$5 discount promotion if you join or renew before December 1. If you join or renew before December 1, 2019 you will save a total of \$9 on your 2020 Membership year.

Comments on this proposal should be directed to any Board member before October 9th. Board contact information is on the last page of this newsletter.
